DECLARATION FOR U.S. PATENT APPLICATION & POWER OF ATTORNEY

As a below named inventor, I hereby declare that:

My residence, post office address and citizenship are as stated below next to my name,

I believe I am the original, first and sole inventor (if only one name is listed below), or an original, first and joint inventor (if plural names are listed below) of the subject matter which is claimed and for which a United States patent is sought on the invention entitled:

**QUIET VERTICAL TAKE-OFF AND LANDING AIRCRAFT USING DUCTED,
MAGNETIC INDUCTION AIR-IMPELLER ROTORS**

the specification of which is attached hereto, unless the following box is checked:

[] was filed on _____, 20__, as U.S. Patent Application _____, or PCT International Application _____, and amended on _____, 20__ (if applicable).

I hereby state that I have reviewed and understand the contents of the above-identified specification, including the claims, and as amended by any amendment referred to above.

I acknowledge the duty to disclose information which is material to patentability as defined in Title 37, Code of Federal Regulations, Section 1.56.

I hereby claim the benefit under Title 35, United States Code, Section 119 of any foreign application(s) for patent or inventor's certificate listed below and have also identified below any foreign application(s) for patent or inventor's certificate having a filing date before that of the application(s) on which priority is claimed: **None**

I hereby claim the benefit under Title 35, United States Code, Section 120, or under Section 119(e) in the case of a provisional application, of any United States patent application(s) listed below, or under Section 119(e) in the case of a provisional application, and, insofar as the subject matter of each of the claims of this application is not disclosed in the prior United States application in the manner provided by the first paragraph of Title 35, United States Code, Section 112, I acknowledge the duty to disclose information which is material to patentability as defined in Title 37, Code of Federal Regulations, Section 1.56 which became available between the filing date of the prior application and the national or PCT international filing date of this application:
